

Extension

We use prepositions to tell the time.

We use **in**, **on** and **at** with time. They are time prepositions.

The preposition **at** is used with **definite points of time**.

at 5 O'clock, at 12:15, at half past three

We also say **at** night.

The preposition **on** is used with **days** and **dates**.

on Sunday, on Baisakh 21, on 5 March, 2006

The preposition **in** is used with **months**, **years**, **seasons** and with **parts of day**.

in December, in 2056, in summer, in the morning

Fill in the blanks with **in**, **on** or **at**.

1. Our school is over ____ four o'clock.
2. We do not go to school ____ Saturdays.
3. It is cold ____ winter.
4. His birthday falls ____ January.

Class-4: EVS

Day-26

Date:30.04.2020

Metropolitan city:

By definition Metro city is large urban area which has population more than 1 million within city limits . It must also have at least 2 Million in sub urban areas.

Metro city must also have all major facilities like railways, airports , bus terminals , large road network with other cities and towns.

Most importantly it must serve as good region for employment and services for nearby villages and towns.

Activity: Fill the following table about metropolitan/ metro cities of India.

Name	State	Population

Life is not always easy in a metropolitan city as - the cost of living is very high, we may have a stress full life and the scarcity of place to live.
