Farm to home: (Journey of food)

Our food travels a long way before it reaches our plate.

Activity: Go through the following steps to fill the given flowchart.

1. Fruits, vegetables, spices are grown in farms by farmers (we have already seen the steps of cultivation).
2. After harvesting, the farmer stores the food in warehouse.
3. These are transported to wholesalers.
4. The food grains are then sold in the wholesale markets to the retailers (shopkeeper).
5. People buy them from the shopkeeper and get them to home.
6. Then the food is cooked and served to you.
