Academic Year (2020-2021)

Worksheet

**Class-5: English**

**Day-20**

**Date:24.04.2020**

## I. Read the paragraph and answer the following questions.

Once upon a time there was a fisherman who lived in a small shack. One day he went out to the sea to catch fish on his boat. When he pulled up his net, he was surprised to find a shiny golden fish trapped in his net. "Please let me go you kind man!" cried the golden fish. The fisherman was shocked to see a talking fish. He pitied the fish and put it back into the sea. The golden fish was very grateful. It said to the fisherman, "I shall repay your kindness." When the fisherman returned to his home, he was amazed to see his small shack changed into a big house. The moral of the story is we should not harm any living being and we should be kind to them.

Q1. Give a meaningful title for the above paragraph.

---

Q2. Where did the poor fisherman live?

---

Q3. Why did the fisherman go to the sea?

---

### **Save Energy**

Electricity is a form of energy. We use electrical energy for cooking, heating, lighting, watching TV, Working on computer and many other things. We must form a habit of saving electricity.

**Look around your house and tick ( ✓ ) 'Yes' or 'No' for the following habits.**

	<b>Habit</b>	<b>Yes</b>	<b>No</b>
1	Do you switch off the lights and fan immediately after use?		
2	Do you leave the plug point 'ON' after switching the television 'OFF' with the remote?		
3	Do you use a screen saver when not using your computer?		
4	Do you put warm food into the refrigerator?		
5	Do you use the stairs instead of the lift whenever possible?		
6	Do you use CFL bulbs and tube lights?		
7	Do you open the refrigerator door often?		
8	Do the members of your family watch television in their separate rooms?		
9	Do you take long showers?		
10	Do you keep the windows open to let in sunlight during the day?		

If your answer is 'Yes' for questions 1,3,5,6, and 10, and 'No' for the rest, then you are saving electricity.
