Class-5: English

Day-21

Date:25.04.2020

I. Stay at home, think hard and find out 'who I am?'

1. I am yellow. Take off my peel before you eat me. _____
2. I have a hard thorny outside. My yellow inside is very sweet. _____
3. I am green and have seeds inside. Eat me in your next salad. _____
4. I am orange and grow down deep in the soil. You eat my root. _____
5. I have a green hard rind. I am usually eaten in the summer. _____

II. Read the paragraph carefully and answer the questions.

Riya was a kind-hearted girl, and one day when she was crossing a bridge, she saw two boys on the stream, trying to drown a little dog. So, she ran to the shore, and cried loudly, "Oh! How can you be so cruel to that poor little dog?" The boys looked at her in wonder, and one of them said, "Our father told us to drown it." The dog reached the bank and crept toward Riya. "Poor little fellow." She said by patting his head. "Will you give to me?" she asked the boys and the boys agreed to give the dog to Riya. She thanked the boys and ran home along with the dog. "Oh! Mama," she cried, "Look at this dear little dog; two boys were trying to drown it and I asked them to give it to me. May I keep it, Mamma?" "My dear child," said Mrs. Mason, "I am very glad to hear that you saved the little dog from pain."

1. What did Riya see when she was crossing the bridge?

A. _____

2. Why did the boys drown the little dog in the stream?

A. _____

3. Did the boys give the dog to Riya?

Worksheet

Class-5: Mathematics

Day-21

Date:25.04.2020

Multiple: Multiples are the numbers formed by multiplying the given number by another number.

(or)

Multiples are the answers of the multiplication tables.

Eg. Multiples of 9: 9, 18, 27, 36, 45, 54, 63,.....

I. Write first ten multiples of the following:

a) 5: _____

b) 4: _____

c) 7: _____

d) 9: _____

e) 3: _____

II. Observe the pattern and fill in the missing numbers.

1)	2	5	3	6	4					
----	---	---	---	---	---	--	--	--	--	--

2)	23	24	26	27	29					
----	----	----	----	----	----	--	--	--	--	--

3)	14	11	13	10	12					
----	----	----	----	----	----	--	--	--	--	--

4)	2	6	7	11	12					
----	---	---	---	----	----	--	--	--	--	--

5)	11	13	16	18	21					
----	----	----	----	----	----	--	--	--	--	--

III. Learn and write 12 table for 2 times.

Worksheet

USES OF ANIMALS

Importance of animals in human life:

Animals play a very important role in the human life. From the early days, animals have been very useful to man. They were mainly as transportation means, for food, hunting and protection.... Animals also give companionship to humans and this is very important in the human life. Animals provide a valuable food sources to much of the world via meat, eggs, and diary. They provide textiles, like wool, or furs, or leather. Beasts of burden like horses, donkeys, camels, or oxen, can be used to haul things that humans can't.

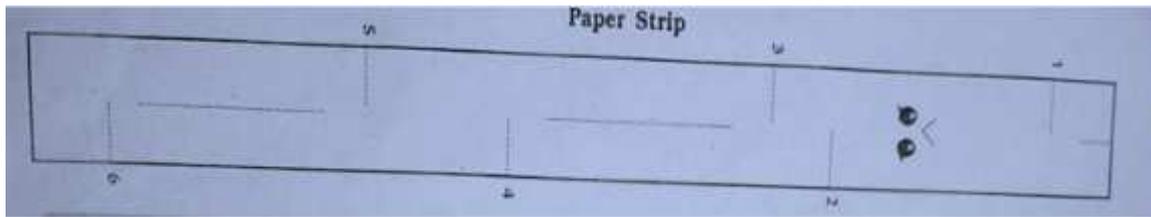

- I. There are many communities who use animals as their livelihood. Write a paragraph about them.

II. ACTIVITY 1:

Let's make a paper dog:

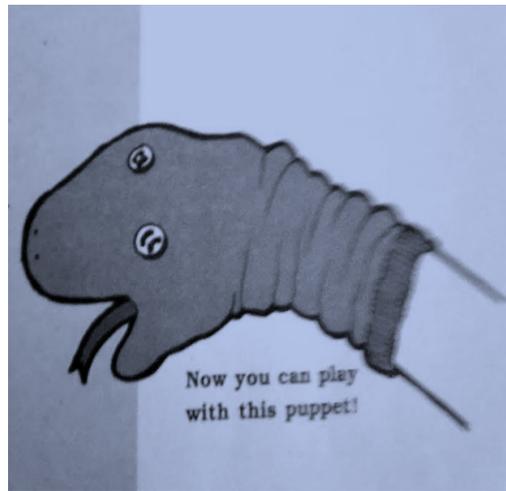

For this you need: thick paper, pencil, scissors, and sketch pen.

- Cut a long strip of thick paper. Mark the strip as shown here.
- Make small cuts on the lines marked 1 to 6.
- Hook together the cuts on the number 1 and 2(see picture a).
- In the same way hook together 3 in 4, and 5 in 6(see picture b and c).
- Make a cut in the mark on the leg (see picture c).
- Turn down the corners of the strip on top of the head, to make the ears 9picture d).
- Mark the eyes and nose with a sketch pen.
- Your dog is ready!

III. ACTIVITY 2:

Make a snake puppet:

- Take an old pair of socks.
- Put one on your arm.
- Stick buttons or bindis for the eyes.
- Cut out a long red strip of paper for using as the tongue and stick it in the place as shown.
- On the other side of the paper make a 'V' shaped cut.
- Your snake is ready!

IV. An animal may be a pet, domestic or wild. It is our responsibility to protect them. Write down some activities that you can do to protect them.
