Read the fable and answer the questions that follow

An Eagle swooped down upon a Serpent and seized it in his talons with the intention of carrying it off and devouring it .But the Serpent was too quick for him and had its coils round him in a moment and then there ensued a life-and-death struggle between the two. A countryman, who was a witness of the encounter, came to the assistance of the eagle and succeeded in freeing him from the Serpent and enabling him to escape.

In revenge, the Serpent spat some of his poison into the man's drinking-horn. Heated with his exertions, the man was about to slake his thirst with a draught from the horn, when the Eagle knocked it out of his hand, and spilled its contents upon the ground and thus saved his life.

1. Why did the Eagle swoop down on the Serpent?
2. Why did the Eagle knock the drink out of the countryman's hand?
3. How did the countryman help the Eagle?
4. What did the Serpent do to punish the countryman?
5. Frame a title for the above fable.
6. Write the past forms of verb from the above fable.
7. Find the meanings of swooped, seized, talons, ensued, countryman, drinking-horn, slake with the help of dictionary.

Note : intention=goal ,devouring= swallowing ,exertions= hard work, draught= drink
