I really worked up an appetite for that ice cream after I swam in the water, built four sandcastles, and buried my friend's legs in the sand. Grandma gave me money. I went to get my treat. As soon as I got back to the blanket where we sat, as i was eating my ice cream cone. Then it happened.

The ice cream began to melt at a lightning speed and before I knew it, my ice cream was splattered in the sand.
