Dear Muskan

My happiness knew no bounds when I got to know that you have topped your school and achieved your dream. I felt so pleased that I wish I were there to congratulate you personally.

The result has proved that hard work, determination and perseverance bring good results. You were so laborious and passionate about it. I know you were very nervous too, but I was always very confident that you would come out with flying colours. I apologise that I couldn't even attend the celebration party despite my wishes.

Hope to see you soon. Please be encouraged and continue your hard work. Your future is very bright. My parents and elder sister have sent lots of love and heartiest congratulations.

With lots of love and best wishes.

Yours lovingly

Shefali
