## FORMAL LETTER

### EXAMPLE:

**Write a letter to the editor of a newspaper on the issue of garbage that is spread all through your locality.**

27 Subhash Nagar  
Behind Spring Valley School  
Nizamabad

21 July 2019

The Editor  
Sakshi  
Nizamabad

Subject: Need to clean Subhash Nagar.

Sir

Through your elite newspaper I would like to draw attention of local authorities of Subhash Nagar towards the unhygienic conditions in Subhash Nagar.

The roads of the locality are filled with polythene bags and dirt. As you know that it is the rainy season these bags choke up the drainage which worsens the condition. There are germs and insects breeding all through our locality and this is a cause of illness among the residents specially the children.

Hence, through this letter I would request the concerned authorities to get the locality cleaned as soon as possible and also arrange for pest control.

Thanking you  
Yours truly  
Prakarsha.

**EXERCISE: Write a letter to the editor of an English newspaper complaining about the skyrocketing of the prices of essential commodities.**
